

'Braves Troubadours,' 20 Night Club Acts Coming Here For Big Monica Fund Benefit On Monday

"Give This To Monica"

FRANCES FULLERTON, aged 7, (left foreground) of 23 Wyman St., last week came into the Press office and, handing the editor a piggy bank, said: 'I want Monica to have this.' In photo above she's shown presenting the piggy bank—which contained \$3 in coins—to Mary Cotter, Monica's five and a half year old sister. In background at left, is Frances' sister Charlotte, 13, and at right—Mrs. Cotter, Monica's mother. Frances won the piggy bank at the last St. Agnes fair, and giving it to Monica was her own idea. She also left at the Cotter home, for Monica four scrap books she made up herself. Frances, incidentally, is a star pupil at the Edith Leavis dancing school in Davis Square. She is the daughter of Mr. and Mrs. Frank Fullerton, and her gift of the piggy bank left Mrs. Cotter at a loss for words to express her appreciation.

Press Receives Two Checks For Monica From Los Angeles

The trust fund being set up to pay little Monica Cotter's hospital expenses passed the \$3,000 mark yesterday, as the Press received two checks for \$25 each from way out in Los Angeles and \$70 additional was received direct by Treasurer Chamberlain at the Arlington Cooperative Bank.

With the famous Braves Troubadours coming as an added attraction, along with sports announcer 'Babe' Rubenstein, a fast-moving benefit show is assured at town hall next Monday when 20 night club acts will be presented to swell the Monica Trust Fund.

Entertainers from far and wide are donating their services free of charge in sympathy for five-year-old Monica Cotter, four-year-old Arlington girl who must undergo some 100 costly skin-grafting operations as a result of being burned at her home June 5.

From Tony Truscillo of 8 Higgins Street, owner of the Broadway Club in Saugus, came word this week that the benefit show Monday would be "the biggest thing of its kind ever staged in this area." It was Truscillo who arranged the show, and he reports that acts currently appearing at his club—along with others that have appeared there, or that are booked to appear—have volunteered to come to Arlington.

Meanwhile 'Babe' Rubenstein, well known sports announcer, who has been "plugging" the Monica Trust Fund on the air daily, announced that the famous Braves Troubadours—well known to baseball fans, also would be here Monday. 'Babe' himself, who has been instrumental in raising big contributions at both the Suffolk Downs & Rockingham race tracks, likewise plans to be on hand.

Accompanying the 20 night club acts will be Ben Pullo's notable band, along with Phil Allen, comedian, as master of ceremonies.

Tickets for the show were reported in brisk demand. They may still be obtained from any member of the Auxiliary Police Association, at several stores (as noted elsewhere in this issue), or at town hall the night of the event—if any are left by that time.

2 Local Cops Land 566-Pound Tuna In Sea Off Newburyport

(Special to the Press)

NEWBURYPORT—Two Arlington police officers today combined their strength and new found skill and got the biggest tuna that has yet caught off Newburyport waters—a 566 pounder. The fortunate fishermen are Art Guarente and Al Spena.

Landing the giant bluefin was a difficult task because it took them an hour and 40 minutes of continuous effort. They were fishing from the 34-foot cruiser Koochehuma, owned by John Cadario, the "Arlington Loam King." His son, Jack Cadario, was aboard as skipper and the fourth member of the fishing party was Eddie LeBlanc, another Arlington man.

The Koochehuma left Plum Island Point on the Merrimack river and went directly to the tuna grounds off Plum Island, and Salisbury Beach. The Arlington expedition was one of the first to hook onto a tuna that day, and the two policemen had to work for their fish. The water was much rougher than usual, and youthful Jack Cadario had to make use of his best seamanship to maneuver the cruiser so as to give Spena and Guarente the best odds possible in their struggle against the powerful fish.

The policemen gave the tuna an even break, the men taking turns at the line instead of both playing the big bluefin together. Once the fish changed direction and began swimming under the Koochehuma, Young Cadario maneuvered in time to prevent the line from getting fouled and possibly causing the loss of the tuna.

After the tuna was gaffed and landed, it was taken to Kezer's wharf on the Merrimack river, and was cut up for food. When butchered, tuna looks like beef.

Town Hall Addition Bids Are Too High

Whether or not Arlington will go ahead with plans to construct an addition to its town hall became problematical this week, when bids submitted for the work proved to be much higher than estimated costs.

The lowest of nine bids was for \$166,001.38—and the town two years ago appropriated only \$125,000.

The highest bid came to \$206,377.

The selectmen, after opening and reading the bids, decided to instruct the architects, Sturgis Associates of Boston, to make a detailed analysis of the lowest bids "and submit recommendations."

Meanwhile, the matter will be tabled.

Revived Draft Board Here Ready To Register Men Aged 18-25 At Robbins House, Starting Monday

Arlington men from 18 to 25 years of age will start registering in the nation's first peacetime draft next Monday, Aug. 30.

The Arlington Selective Service board—officially Local Board No. 16—has set up headquarters in the Robbins House, at the rear of the Robbins Library, and it is here that men from 18 to 25 will register.

There was no advance estimate of the number who might register here. It is permissible for men residing in Arlington to register at other places near their places of employment.

Specific registration dates have been set down for different ages, the younger men being listed first.

All men within the specified age levels are required to register, even married men—though the latter will not be called for service. The only exception to the rule applies to men actually in military service and on active duty.

Two changes in the personnel of the Arlington draft board, which covers Arlington, Belmont, and Watertown, have been announced. Clifford W. Cook of Arlington and Matthew W. J. Carley of Watertown have resigned, and have been replaced by James M. Oates of Watertown and Timothy J. Buckley of 18 Jean Rd., Arlington.

Two Of The Winners At Swim Meet

AMONG THE FASTEST SWIMMERS in the contests at Reservoir Beach's second swim meet, last Friday, were Lynn Steven, second from right, and Jane Anderson, who came in first and second respectively in one of the girls' races. Francis Keefe, president of the Touch-down Club, (center), is shown presenting them with awards. At left is Myles McNally, capable chief lifeguards at the beach, and at right Miss Jane Washburn, waterfront director at the Girl Scouts' Camp Menotomy.

Glass Cutter Marks Found On Window

In making his rounds late Friday night, a police officer noticed what he believed to be the marks of a glass cutter on a window of the Willow Hardware store, at 807 Mass. Ave.

The would-be intruder either was inept with the glass cutter, or had been frightened off.

Strip Auto Of Its Parts

Someone has been helping himself to parts from an auto parked at night at the Texaco station, 224 Mass. Ave.

Police were told Sunday that an examination of the car—a 1935 Ford—disclosed the generator, carburetor and water pump missing. The three items together are valued at \$50.

Man Is Painfully Burned As Spark From Wrench Blows Up Gas Tank

Joseph Poirier, 41, of 66 Park Ave. Ext., was badly burned about the hands, arms and face Monday night when the gas tank on a truck blew up in his face.

Poirier was repairing the gas tank, which had sprung a leak, in the back yard of his home.

He was using a wrench, and when it slipped it evidently created a spark which ignited the gas in the tank.

Both the police and fire departments were called to the scene, and Poirier was removed to Symmes Hospital to be treated for second-degree burns.

Damage to the truck was slight.

Boy's Air Rifle Won't Cause More Trouble: Father Destroys It

The air rifle owned by 13-year-old Thomas Larson of 19 Newcomb St. won't get anyone into trouble any more.

The boy's father—John G. Larson—made sure of that Monday. Tommy's air rifle was being used Monday noon by Donald Higgins, 15, of 58 Orvis Rd., when police received a complaint that Bruce Spaulding, 11 of 20 Newcomb St., had been hit by a BB shot.

Police traced ownership of the rifle to Tommy, and his family was notified.

This was at about 3 o'clock.

At 9:15 Mr. Larson appeared at police headquarters and, according to a notation on the police blotter signed by Sgt. William Olson:

"Mr. Larson destroyed same (the rifle) in my presence and left the pieces at the station."

Vandalism

A vacant building at the end of Standish Rd. is much the worse after a visit by vandals.

Police visiting the premises Saturday afternoon found two doors had been forced open, and nine window panes broken.

The history of Arlington (first known as Menotomy, and then West Cambridge) goes back to the early days of the Massachusetts Bay Colony. The first grist mill in the Bay Colony was erected here; Arlington also had the first free public library in the state. The men of the town answered Paul Revere's call at daybreak, engaged in the heaviest fighting of that memorable day and made the first capture of British men and supplies in the revolution.

More Homes Without Using More Land

In a letter published last week, a reader of the Press called attention to one phase of the housing shortage that may have been generally overlooked.

"What about building some two-family houses?" he asked, in effect. "All the new homes seem to be single-family houses. What happens to families who are evicted from a flat in a two-family house, and who can't afford to pay outrageous rents in apartment houses or to buy a single-family home?"

Patently, it would in the best interests of Arlington to have some two-family houses going up, along with single-family residences. It is one way of solving the housing problem for more families without using any more land.

We are aware that private builders are interested primarily in the profit element—which is logical enough—but the suggestion as to two-family residences is worthy of consideration from all angles.

Cops Prove They Can Be Kind -- Even To A Sorry Little Skunk

Police can be kind-hearted, even to skunks.

One of the obnoxious little animals got itself imprisoned in a garbage pail on Higgins St., Saturday, and policemen called to the scene decided to liberate it.

Last week, a similar call—from another section of town—brought police with a shotgun, and a little skunk trapped in a victory garden was blasted to skunk heaven.

But not all officers take the same view of skunks, it seems.

"We were surprised," says Mrs. James W. Flynn: "we thought surely the police would shoot the skunk, but instead they let go free."

"They said it would probably go away . . . but our noses tell different."

The skunk had climbed into an empty garbage pail in the back

yard at 15 Higgins St., during the night. Mr. Higgins found it trapped at the bottom of the pail in the morning, the sides of the pail too steep for it to climb out.

The policemen decided the safest way to handle the situation—for all concerned—was to use a bit of strategy, with positively no personal handling of the nocturnal visitor.

They put the end of a garden hose up to the pail, turned the water on; the skunk floated to the top and—from a safe distance—the cops and the neighbors watched the skunk sedately (and without protest!) saunter off.

Another case of "a skunk in a garbage pail" was reported the previous morning, Friday, by a Mrs. Mulligan, 7 Forest St. place, but the Press' skunk reporter was unable—in this instance—to get the full facts for a flavorful report.

Alcoholics Anonymous To Hold Open Meeting Promoted

Richard A. Geddes, USN, son of Mr. and Mrs. Richard Geddes of 141 Summer St., has been promoted to Petty Officer third class in the Aleutians, where he has been stationed the past year. He has been in the service two years and expects to remain in the Aleutians until Spring.

To acquaint still more Arlington residents with its work, the Arlington unit of Alcoholics Anonymous will hold another open meeting tomorrow, Friday, at 8:30 p.m., at the Arlington Academy of Music Hall.

Any and all interested persons are invited to attend and listen to or partake in the discussion, whether they themselves have come to find drinking a personal problem or are interested in behalf of some member of their family.

Parcel Post By Air Starts Next Week

The Post Office Department will put wings on one of its services to the American people next Wednesday, when Domestic Air Parcel Post will be inaugurated. Special exercises will be held in cities and towns all over America to celebrate this notable event in the life of the postal service.

Only 35 years ago the Post Office Department accepted the first parcel for transmission by land and now the products of New England can be sent to any part of the United States by air by this new service. They will go forward via the same planes that move the air letter mail. Any postoffice will accept parcels for shipment by air and the same general regulations as apply to surface parcels will be applicable.

The limit of weight is 70 pounds and the rates are based on distance within the eight zones established for surface parcels. The package may be insured, registered or sent C.O.D. upon payment of the prescribed fee.

One exception is noted on this new service. Parcels for or between Territories and Possessions of the United States are rated at a flat 80 cents per pound or fraction. This same rate shall apply to parcels for A.P.O.'s and Fleet Post

Offices overseas.

Acting Postmaster Francis A. Crowley stated that a large number of inquiries concerning this new service have been received concerning the sending of such articles as machine parts, candy, flowers, food products, textiles and samples, shoes and samples, tools, books, printed matter, jewelry and engravings, gifts of various types and medical supplies.

Airline and postal officials are preparing to handle a large volume of air parcels when this new service opens September 1.

Piggy Bank Helps Raise More Money

The colorful piggy bank given to the Monica Trust Fund by seven-year-old Frances Fullerton (see page one photo) is helping to raise additional contributions.

Originally, the bank contained \$3. Now it holds considerably more.

The Press turned the Piggy bank over to Mr. Chamberlain, the fund's treasurer, at the Arlington Co-operative Bank.

Mr. Chamberlain placed the bank on a counter, in plain sight. A typewritten note pasted to the bank tells who gave it—and why.

Many are taking the hint and, as they pass, are dropping in extra coins.

Benefit Ball Game Nets Monica \$32.

With a goodly-sized crowd in attendance, a voluntary collection netted \$32.16 for the Monica Trust Fund at Monday's benefit game played at Spy Pond by members of the Senior AYA League.

The "National League," sparked by pitchers Basil Vassell of the Dodgers and Jim Corelli of the Pirates, defeated the "American League" 9 to 2, in a fast game.

Pitching for the latter outfit were Glen Peterson of the Yankees,

Dan Swanson of the tigers and Robert Winrow of the Red Sox.

Anthony Quatrocci of the Dodgers coached the winning team, while William Hanlon of the Red Sox was coach for the losing outfit.

Another Monica benefit game will be staged next Monday, also at Spy Pond, this time by players recruited from the Junior AYA League.

'Harry' Read, Retired Actor, Is Found Dead

William H. (Harry) Read, 81, a former actor and a well known personality in Arlington Heights for many years, died in the modest little house at 17 Sunset Rd. where he had lived alone for several years.

Mr. Read was found dead in bed Tuesday afternoon; he had last been seen on Saturday, and he is thought to have died Sunday.

His many friends will choose to believe that he expired quietly and peacefully during his sleep—and there was every indication, when he was found, that this was the case.

Until some time ago, Mr. Read lived at 67 Bow St. For years he took faithful care of a bed-ridden

cousin and an ailing aunt, devoting himself to them selflessly. After they died he moved into a smaller home behind 67 Bow St., but fronting on Sunset Road.

He had been retired for years, and in his day is said to have appeared in theatre all over the country. Everyone knew him as a kindly, smiling old man who could be seen at mass every morning at St. James Church. His small figure was a familiar sight, and to everyone he was just plain "Harry."

Private funeral services were held yesterday, Wednesday, from the John E. McAvoy funeral home, with a requiem high mass to be sung for him in St. James Church later.

4 Boys Go Out And Raise \$38 For Monica

Almost \$40 was collected for the Monica Trust Fund in a period of two days by four boys, aged 9 to 14 who decided they—too—would do something to help the little fire victim.

Kenny and John Toomey, sons of Police Sgt. Charles O. Toomey, walked into the Press office Monday morning with a cardboard box holding a total of \$38.66.

The money was in pennies, nickles, dimes, half dollars—with a couple of dollar bills, and one check.

Kenny is 14 and John 12, and they said that they had taken up the collection together with Edward Bowman, 9, of 220 Mystic St., and James Hoyer, 11, of 42 Kimball St.

They canvassed the Mystic St. area, and they reported "no trouble" in raising the money, most people they approached being very willing to contribute.

2 Taken To Hospital From Reservoir

The police ambulance made two calls to Reservoir Beach Tuesday.

At noon James McGowan, 16, of 112 Jackson St., Cambridge, was removed to Symmes Hospital after suffering a weak spell.

At 2 o'clock George Walker, 14, of 27 Florence St., Somerville, was taken to the hospital with a lacerated right foot.

Pfc. Carter, Pfc. Hannabury Home For Re-burial Rites

Two more Arlington war dead are being re-interred in home ground this week—one of them today, Thursday, and the other Friday.

Military funeral rites were to be held today for Pfc. William T. Carter, son of Mr. and Mrs. Robert A. Carter of 14 Walnut Court, who was killed in France Nov. 10, 1944, and whose body reached home for re-interment Tuesday.

A student at Tufts College when he entered military service, Pfc. Carter was a member of Co. L, 319 Infantry, 80th Division, when he fell in battle. He graduated from Arlington High before entering Tufts.

Members of the American Legion held post services last night, Wednesday, and this morning a solemn high mass of requiem was to take place at St. James Church, followed by interment in Mt. Pleasant Cemetery. The funeral cortege was to proceed to the church from the family residence on Walnut St.

Funeral services will be held tomorrow, Friday, for Pfc. Robert T. Hannabury, son of Mr. and Mrs. Thomas J. Hannabury, 64 Chandler St., who died in Luxembourg as the result of a train and truck collision a few months after the war ended.

He had enlisted in June, 1943, and was sent overseas in September, 1944.

A veteran of the European invasion, he was wounded in Germany in December, 1944, and after spending three months in an English hospital he returned to his outfit in France in March, 1945. He was happily planning his return home when he was fatally injured in the accident, which involved about 50 soldiers, and in which nine were killed.

He was the recipient of the Purple Heart, Good Conduct Medal, and European ribbons with three battle stars.

Graduated from Arlington High in 1941, he attended Northeastern University, where he studied chemical engineering. During the A. S. T. P. program he attended Virginia Polytechnic Institute.

Besides his parents he leaves a sister, Betty.

The funeral tomorrow will be from the Daniel F. O'Brien funeral home, 226 Mass. Ave., with requiem high mass at St. Jerome's Church at 9.

There will be visiting hours at the funeral parlors this (Thursday) afternoon, from 2 to 5, and this evening from 7 to 10.

Others Awaited
Relatives of three other Arlington men who lost their lives in World War II, and who were buried in the Philippines are awaiting definite word as to when their re-

Mary Emery Misses State Beauty Crown Because Of A Mixup

Sixteen-year-old Mary Emery of 11 Hobbs Court might have been chosen as the AMVETS' "Miss Massachusetts" Monday—but she didn't show up.

Through a misunderstanding picked as "Miss Arlington," though picked as "Miss Arlington" thought that the state-wide winner was to be chosen on Tuesday, instead of Monday.

When she failed to appear Monday night at a moonlight sail sponsored by the state AMVETS, efforts were made to get in touch with her.

But Miss Emery was staying with friends in Hyannis, and could not be contacted.

"I am sure she would have had a good chance; in fact I think she would have won if she'd been present," Commander Edward J. Reilly of the Arlington post, American Veterans of World War II, told the Press yesterday.

A Quincy girl was chosen for the state beauty title.

Tickets for the game may be obtained in this manner:

- (1) Mail and telephone applications will be received at the office of the Park Commission, Town Hall, Arlington 5-3156.
- (2) Only adults may apply for tickets.
- (3) Adults must accompany children to and from Braves Field and during the ball game.
- (4) Requests for tickets should include ticket for adult.
- (5) No youngster or group of

main will reach here.

The three being brought home for re-interment are:

PFC. Paul G. Young, son of Mrs. Helen G. Young of 115 Medford St. PFC. Young, one of three brothers in service, was killed Oct. 21, 1945, while serving as a paratrooper with the 11th Airborne Division.

Second Lieut. Harry N. Elgee, son of Mrs. Norma Safgreem Elgee of 35 Overlook Rd. He was killed in action Nov. 1, 1944, over the Negro Islands in the South Pacific.

Reports Loss Of His Wallet 2 Weeks Ago

Two weeks ago Donald L. Oulton of 57 Park Ave. lost a wallet containing some \$35 in cash.

Saturday, having failed to hear anything about it, he finally reported his loss to police.

He said he'd lost the wallet somewhere between Reservoir Beach and his home.

Woman Falls On Street

While walking along Warren St., Friday night about 9 Mrs. Margaret Donahue, 57, of 7 Amherst St., fell to the ground.

A police ambulance removed her to Symmes Hospital, where she was treated for injuries to her right ankle and right forearm.

Patrolman Henry Bradley, looking over the scene of the mishap, reported there appeared to be no hole or other defect in the dirt walk where she fell.

Use Billboard To Promote Two Benefits

A large billboard on Massachusetts Ave., over the Forest Pharmacy, was being used this week for two charitable endeavors.

The Birch Co., which owns the billboard, painted on it free of charge a notice of the benefit ball game held Tuesday night for Bob Carmody, member of the Arlington All-Stars who broke a leg in a game recently.

Immediately after the Carmody benefit, the billboard was offered for the use of the Monica Trust Fund, and a new sign was prepared. The Birch Co. lent its cooperation through the efforts of Gordon Weir of Arlington, who is connected with the company.

Clarence Needham Is On Danger List

Clarence Needham, town accountant since 1924, was in a serious condition and on the danger list at Symmes Hospital as this paper went to press.

Mr. Needham, suffering from a

heart ailment, was removed to the hospital from his home at 2 o'clock Wednesday morning.

At last reports, he had been placed in an oxygen tent. Grave fears were felt for him because of his 78 years.

Backs Into Parked Cycle

Backing out of a parking space opposite 1350 Mass. Ave. Saturday, Mrs. Barbara M. Bently of 38 Theresa Ave., Lexington, failed to notice that a motorcycle was parked directly behind her.

She woke up to the fact when she felt her car hit something, as the bike toppled over from the impact.

There was no one at the time on the motorcycle, which was owned by Karl G. Frederickson of 155 Appleton St., but the machine was somewhat the worse for the collision.

Awning Set Ablaze By Cigarette

A carelessly tossed cigarette caused fire to break out in a store awning at 1 Medford St., early Monday evening.

Fire Engine 1 responded to a still alarm and extinguished the blaze, with slight damage. The store is conducted by Peter Pappa.

3 Here Get Awards On WCOP Show

Three residents of Arlington appeared on the new WCOP show, "The G-E Boston Tea Party," last week.

They were Mrs. Lilla Mills, of 44 Davis Ave.; Mrs. Ruth Black, of 311 Gray St., and Mrs. Edmund Trebino, of 67 Hilbert St.

This full-hour show, emceed by Stan Shaw and Ken Meyer, includes laughter, recorded music, gifts and fun, and awards of electric appliances to all in the studio audience who take part in the show.

Mrs. Mills, who was in a hilarious mystery game, received a foot warmer. To Mrs. Black, who played a game involving writing the names of the states, went a coffee maker. Mrs. Trebino, who had to read a newspaper aloud as rapidly as possible, while the two hosts of the show, Shaw and Meyer provided a background of noise and comedy, was also the recipient of an electric coffee maker.

Reports His Car Hit Boy

Thinking the matter over a couple of days, Frank Pellegrino of 275 Grove St., Medford, decided Sunday that perhaps he'd better report to police that on Friday his car had struck and slightly injured an Arlington boy.

Pellegrino identified the boy as Gerald K. O'Connor, 7, of 23 Warren St., and said he had been bruised slightly on the left leg and elbow.

Train Is Stoned

Boys hurling stones at passing trains continue to be a menace to passengers on the Boston & Maine. B & M authorities, reported to police Friday that the 7:40 train had been stoned while passing Brattle St.

A window on a passenger coach was shattered, but luckily no passenger was injured.

A week before, in a similar incident, a woman passenger was cut by flying glass.

Windshield Shattered

Mrs. Muriel Stone of 6 Larchmont Lane, Lexington, reported to police Friday night that while her car was parked on Lombard Rd., some missile was hurled through the windshield, which was shattered.

Not Really 'Intruder'

When someone connected with Cleveland Market at 159 Mass. Ave. had occasion late Sunday night to go to the store for a moment, a neighbor phoned police:

"Someone has entered the Cleveland Market."

A police car went to the scene, but by then the visitor had left and police said all doors were locked and everything secure.

Enforce Rules On Political Sign Posting

The police and building departments were alerted this week to be on guard against the "indiscriminate" posting of signs during the coming election.

The state's Outdoor Advertising Authority, in a communication received by the selectmen Monday, asked cooperation of local authorities.

It said that stern measures would be taken against anyone violating regulations concerning outdoor signs. These rules ban signs on fences, rocks, poles, trees or painted directly on buildings.

Particularly, the state board is concerned about political signs that "remain afterward as an eyesore."

The selectmen sent copies of the communication to both the town highway department and the police.

Headed by a cast of superlative players including Paulette Goddard, Henry Fonda, Jimmy Stewart, Fred MacMurray, Dorothy Lamour and Burgess Meredith, the unique comedy, "On Our Merry Way" starts Sunday at the University. Lavishly mounted in the period of 1870, the film presents in story, songs and music, the nefarious reign of Boss Tweed, political czar and grafter extraordinary whose gang looted the New York City treasury of some 200 million dollars, much of which was brazenly pilfered through padded payroll of Central Park, then in its early stages of development as a recreation center.

Set in the magnificent background of Vienna as it looked in the latter part of the 19th Century, one of the screen's most powerful love stories is presented in "Letter From an Unknown Woman" the companion film, co-starring lovely Joan Fontaine and the French star Louis Jourdan.

Due Home Soon Between Operations, Monica Looks Forward To A 'Big Party'

Monica Cotter will be coming home soon—for a few days. The skin on her face and arms patched up through skin-grafting, she has to wait awhile before further operations—and the doctors at Mass. General Hospital think it would do the little girl good to be home again with her parents and her sisters.

Told that she would soon be at home, Monica has been thrilled at the prospect. Courageous and alert despite her disfiguring injuries, she has invited her nurses to attend her "homecoming party."

So the Cotter family plans to really stage a party, with some of her little friends invited to come in and dance and sing for her.

While at home, Monica will need special care for the grafted skin is just setting in place, and parts of her body from which skin was taken are painfully sore. The skin taken from her back, for instance, will grow on again—but as soon as it does it must once more be removed for more skin-patching.

The unfortunate little girl will remain under doctors' care for years—possibly as many as eight or ten. She has undergone close to 40 operations and will need, in all, about 100.

The child's mother, Mrs. John Cotter, visited her at the hospital Monday. She acted cheerful while with Monica but left the hospital crying.

you are raising for little Monica. I am enclosing my check toward that fund."

Mr. Cardozo appended this note to the same letter:

"I, too, would like to add my check for \$25. to the Monica Cotter fund."

Other outstanding developments this week in the campaign for little Monica included:

Arrangements have been made for a town-wide tag day to be held Sept. 10 and 11. High school girls will be asked to help.

One hundred and four collection

cans have been placed in as many stores, along with placards on which appears the photo recently published in the Press showing Monica in the hospital.

The Knights of Columbus will sponsor a play, "Yes, My Darling Daughter," to be put on by a group of Simmons College girls at town hall September 22.

The Elks will sponsor a minstrel show either Oct. 10 or 12.

The Legion, meeting on Monday, decided also to sponsor some sort of benefit.

Contributions this week included a check for \$50 received yesterday, the proceeds of a collection taken at the Beachcomber in Nantasket

Judy Anderson, Pat McCarron, Donald Stewart Each Win Two Races At Reservoir Swim Meet

A large crowd witnessed the final swim meet of the 1948 season at Reservoir Beach Friday afternoon.

Featured attraction was the "Tour of the World" as presented by Al Houston, Director of Water Safety, American Red Cross. His final act, swimming in burning gasoline, was a thrilling demonstration and was applauded by all.

Francis Keefe, president of the Touchdown Club of Arlington, presented to the winners of each event awards donated by his club.

Several preliminary heats were necessary in each event due to the great number of entries. The girls' events were closely contested in all races, with Judy Anderson, Priscilla Taylor, Patricia McCarron and Lynn Stevens proving to be Arlington's most accomplished girl swimmers.

The board's announcement reads: School Sessions & Admission

Sessions will be as follows:

Senior High School — 8:15 A.H. to 1:45 P.M.

Junior High School — 8:30 A.M. to 11:45 A.M. and 1:15 P.M. to 3:30 P.M.

Junior High Industrial Arts School — 8:00 A.M. to 12:30 P.M.

Elementary School — 9:00 A.M. to 12:00 noon and 1:30 P.M. to 3:30 P.M.

Kindergartens (morning group) — 9:00 A.M. to 11:30 A.M. (afternoon group) 1:30 P.M. to 3:30 P.M.

Senior high school seniors and juniors should report on the opening day at 8:15 o'clock in their home rooms in the old building; sophomores should report at 8:15 o'clock in the new high school auditorium.

Pupils who are transferring to the High School from out of town should plan to register at the High School, with the record of their work done in other schools, on Thursday morning, September 2, or Friday morning, September 3.

However, it is advisable that prior to this registration they meet with one of the Counselors in the Guidance Office as soon as possible. Appointments may be made by phoning Arlington 5-5800, Extension 26.

High School pupils who must make changes in their programs should also telephone for appointments prior to September 8. Evening appointments may be made now for pupils and parents who are employed during the day.

Junior High School Center and Junior High School West eighth and ninth grade pupils should report in their home rooms, and the seventh grade pupils in the assembly hall at 8:30 o'clock.

Junior High School East pupils should all report in the assembly hall at 8:30 o'clock.

New junior high school pupils who have moved to Arlington during this summer are requested to register at the various junior high

school buildings on September 2 or 3.

Elementary school pupils will report in their home rooms. Beginners will be directed upon arrival to their proper rooms by the kindergarten and first grade teachers. Children entering from out of town and other new pupils will apply to the principal for assignment.

The requirements for admission are as follows:

Children entering kindergarten must have reached the age of 4 not later than the preceding January 31st. Children who have reached the age of 4 not later than March 31st may enter kindergarten provided they have a mental age of 5 years at time of admission in September, as shown by an intelligence test.

Children entering Grade 1 must have reached the age of 5 not any later than the preceding January 31st. Children who have reached the age of 5 years not later than March 31st may enter Grade 1 provided they have a mental age of 5 years at time of admission in September, as shown by an intelligence test.

Pupils requesting admission to Grade 11 for the first time will be tested for proper placement.

All beginners should bring birth certificate showing proof of age and certificate showing successful vaccination or legal equivalent. Those entering school for the first time, except kindergartners, may enroll during September, but not later than Monday, October 4.

All pupils should enroll on the opening or as soon thereafter as possible to be assured of proper assignment and seating, and to avoid loss of work.

No-School Signals

The plan for announcing no sessions on stormy days will be the same as heretofore.

The no-school signal, 2-2 sounded four times, if sounded at 7:15 A.M. no session for the senior high school; if sounded at 7:45 A.M. no morning session for the junior high schools. If the signal is sounded at 8:15 A.M., there will be no session in the elementary schools. The signal sounded at 12:15 P.M. indicates no afternoon session in the junior high schools, and if sounded at

I Wonder?

I WONDER if someone ought to tip off some of those new cops to take themselves a little less seriously?

I WONDER if Pat Daly will be a star in the Legion's next minstrel show?

I WONDER how many baseball fans felt that all ball games should have been cancelled during Babe Ruth's funeral last Thursday?

I WONDER who was the strange man who frightened Jean Taft on Harlow St., Friday night?

I WONDER if Mrs. Chandler of 46 Melrose St., who was struck by a baseball Friday, doesn't wish boys would be more careful?

I WONDER if Mr. Long of 208 Gray St., appreciates the service that the police dept. gives, after phoning the police from out-of-town Saturday night and asking them to go to his home and shut off the gas?

I WONDER if the park department could tell us what kind of strange horned caterpillars are infesting so many trees in Arlington just now?

12:30 P.M., afternoon session in the elementary schools.

Announcements will also be given by radio from Station WNAC between 7:00 and 8:00 in the morning and between 12:00 and 12:30 in the afternoon. In many cases, decision cannot be made in time to notify WNAC. Accordingly, if no radio announcement is given, parents and pupils are advised to listen for the local no-school signals.

It is the policy of the School Department to close school only on very stormy days; and in cases of doubt as to weather conditions, to keep regular sessions. Parents are urged, therefore, when schools are open on stormy days, to exercise their personal judgment as to the wisdom of sending their children to school. No pupil is kept at home by parents will suffer any censure or penalty whatever.

I WONDER if the town fathers would let Herb Bolser know the exact location of sewer cover No. 497?

Woman On Pike Hit By Auto

As a Belmont couple got off a bus on the Concord Turnpike Saturday afternoon and started across to the Belmont side of the street, an auto suddenly bore down on them.

Herman A. Griffin, 62, of 23 Belington St., Belmont, cried out a warning to his wife and jumped out of the car's path. But his wife, Beatrice, 55, was not so lucky.

Struck and hurled to the pavement, she was taken to Symmes Hospital for treatment of injuries of the left knee, left ankle, left foot and nose. Mr. Griffin complained that he sprang his back in jumping out of the car's path.

The auto was operated by Alice F. Barrett of 12 Winthrop Rd., Lexington.

'Road Courtesy Saves Lives'

"Use your brake instead of your horn", are words of caution from E. Forest Hallet, Boston Red Cross accident prevention director, to drivers planning trips.

Working for highway safety in Massachusetts with the Registry of Motor Vehicles, the Red Cross, through Hallet, said Massachusetts' record this year compared with that of 1947, is pleasing.

"Let's try to eliminate as many accidents as we can," Hallet urged. "Road courtesy saves lives, and the life you save may be that of a passenger in your own car", he said.

Red Cross accident prevention tips recommended by Hallet include: Keep your car in perfect running condition.

Gasoline and liquor don't mix. Respect the rights of other motorists by observing driving courtesies.

Obey all traffic signs and regulations. Don't pass on curves or hills, or your carelessness may result in a trip out of this world.

To pedestrians, Hallet's warnings include: Observe traffic signs.

Hallet said that the Red Cross has more than 2,000 First Aid stations across the country and more than 10,000 mobile First Aid units on the job. A number of these stations and units work out of cities and towns throughout Massachusetts and New England.

Boy, 18, Among First To Volunteer Blood For Monica Cotter

The appeal published in the Press last week for blood donors for Monica Cotter brought immediate responses.

One of the first to volunteer was 18-year old Tom Gass of 155 Wachuset Ave., who took a half day off his job last Friday to go to the Massachusetts General Hospital and give a pint of blood.

Tom walked into the Press office about 1 o'clock.

"Where do I give blood for little Monica?" he asked.

The Blood Bank at Mass. General was contacted by phone. Because Tom is under 21 it was explained that he'd need his parents' signature, and he agreed to get that. But doing so would delay his arrival in Boston, and the Blood Bank was supposed to close at 3:30 o'clock.

When nurses at the Blood Bank understood, however, that Tom wanted to give blood for Monica—the most seriously burned patient who has ever survived, in hospital history—the closing time was extended to 4 o'clock.

Hopes For Girl's Complete Recovery
Editor, the Press:—
I hope that you will amass enough money to pay for her (Monica Cotter's) complete recovery.
I am enclosing five dollars to help.

Sincerely,
Margaret S. Duggan
